Dear Sir:

We, Bjarne Adamsen, Jorn Borch Soe, Charlotte Horsmans Poulsen, Preben Rasmussen, Susan Mampusti Madrid and Masoud R. Zargahi, hereby declare and state as follows:

1. We, Jorn Borch Soe, Charlotte Horsmans Poulsen, Preben Rasmussen, Susan Mampusti Madrid and Masoud R. Zargahi, are the named inventors on the above-identified application ("the present application") and are informed as to the prosecution of the present application, particularly that the presently pending claims as set forth in Exhibit 1 hereto. Work reported in the present application was actually performed, in Denmark, a GATT/TRIPS/WTO member country, after January 1, 1996, and before the April 1, 1997 filing date of priority application DK0400/97, and more specifically, prior to March 4, 1997, by us, under our direction, supervision or control, in the ordinary course of business of our employment with Danisco, A/S (Copenhagen, Denmark).

2. For instance, attached as Exhibit 2 is a true copy of a redacted internal Danisco report and an English translation thereof, prepared by inventor Soe in the ordinary course of

business of his employment with Danisco A/S and kept by him in the ordinary course of business, dated prior to March 4, 1997, reporting work of the named inventors done by inventor Soe, or under his direction, supervision or control, in the ordinary course of business of Danisco A/S, prior to March 4, 1997. For instance, the report parallels test in the examples in the present application and provides, *inter alia*, a method of preparing a dough including adding to dough ingredients an enzyme that hydrolizes compounds including a triglyceride, a glycolipid and a phospholipid, as well as a method for preparing bread comprising preparing such a dough and baking the bread.

3. I, Bjarne Adamsen, am Business Director, Enzymes, Danisco A/S, Copenhagen, and in the ordinary course of my employment with Danisco A/S regularly receive, read and understand, in Denmark, reports from inventors such as reports from inventor Soe; and hereby confirm that I received, read and understood in Denmark in the ordinary course of business of my employment with Danisco A/S the report of Exhibit 2, within the month it was issued, and prior to March 4, 1997.

4. Accordingly, embodiments of the invention were actually reduced to practice, prior to March 4, 1997, in Denmark, a GATT/TRIPS/WTO member country, and there was corroboration thereof by a person who is not an inventor, prior to March 4, 1997, in Denmark, a GATT/TRIPS/WTO member country.

5. We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.
